Qualified Joint and Survivor Annuity (applies to married participants in some 401 plans only)

If you are married and transferring assets from a MissionSquare plan, and the employer sponsoring the plan has elected the Qualified Joint and Survivor Annuity options, your spouse must consent to the transfer of assets to another retirement plan. You and your spouse will need to complete the Waiver of Qualified Joint and Survivor Annuity Form available online at www.missionsq.org.

MissionSquare Retirement IncomeAdvantage Fund

If your plan offers the MissionSquare Retirement IncomeAdvantage Fund (the Fund), any assets you have invested in the Fund will be excluded from your transfer/rollover request. If you would like to consolidate your Fund balances into one MissionSquare plan, please contact MissionSquare for the appropriate transfer form. You can do a fund transfer from the Fund to other investment options available in your plan if you would like to have the Fund assets distributed with your transfer/rollover request. However, you should be aware that withdrawals from the Fund prior to Lock-In proportionately reduce your guaranteed values. After Lock-In, Excess Withdrawals will proportionately reduce and potentially terminate available guarantees. Please note that if you withdraw all of your assets from the Fund, you lose all guarantees. For additional information, please review the *MissionSquare Retirement IncomeAdvantage Fund Important Considerations* document.

IMPORTANT THINGS TO KNOW

- You must be enrolled in the plan you are moving assets TO prior to submitting this form. If you are not, please contact your Retirement Plan specialist.
